

# International Wire Transfer

## To send an International Wire Transfer, you will need:

- Your identification
- The amount of the wire transfer

*Would you like to send US Dollars or a foreign currency type? Please note that exchange rates are subject to change.*

- The purpose of the transfer

## Beneficiary Information:

To ensure the funds reach their intended destination, please contact the beneficiary and/or beneficiary bank to ensure the information you provide is correct.

- Beneficiary's Name
- Beneficiary's Address  
*Cannot be a PO Box*
- Bank Name
- Bank Address  
*To be sure your funds reach their destination, please be sure the address corresponds to the correct branch location to which you would like the funds sent.*
- IBAN or Account Number  
*IBAN stands for International Bank Account Number. This is a unique code that helps identify the beneficiary's account with the receiving institution when sending funds internationally.*
- Bank SWIFT/Sort Code  
*This code is a unique identifier for the financial institution.*
- Intermediary Bank Information  
*If applicable*

*There is a \$40 fee to send an International Wire Transfer. Please note that most international wire transfers can take up to 10 business days to be received by the beneficiary bank.*

## To receive International Wire Funds in your People's Credit Union account, you will need to provide the sending bank with the following information:

- Receiving Institution: NY Federal Reserve Bank BIC/SWIFT code is FRNYUS33
- Beneficiary Institution: People's Credit Union (ABA: 211573151)
- Beneficiary: Member Name, Address, and Account Number

*There is a \$15 wire fee for all incoming wires.*
